MINISTRY OF RAILWAYS

(Railway Board)

RESOLUTION

New Delhi, the 7th April 1951

No. 4506-TT.—Reference Ministry of Railways Resolution No. 4506-TT, dated 18th November 1950, published in the Gazette of India Extraordinary, dated 28th November 1950, as corrected by the Notification No. 4506-TT, dated 7th December 1950, published in the Gazette of India, dated 16th December 1950, and their further Resolution No. 4506-TT, dated 18th December 1950, published in the Gazette of India Extraordinary of the same date, relating to the institution of a judicial enquiry to determine the cause of the accident to 320 Down Goods and 7 Up Toofan

Express on the East Indian Railway on 13th August 1950, and the appointment of the Honourable Mr. Justice Bose, Judge, Calcutta High Court, to hold the enquiry, with the assistance of assessors.

2. It will be recalled that the Government Inspector of Railways held the cause of the derailment of 320 Down Goods as sabotage, which the Bihar Police did not accept and that it was this difference of opinion that necessitated the institution of the judicial enquiry.

3. The Government of India have received the report of the Honourable Mr. Justice Bose on the judicial enquiry. The Honourable Judge has confirmed the conclusions of the Government Inspector of Railways in respect of the cause of the accident and the following is an extract of the Judge's findings, as recorded in his report:—

“I agree with the Government Inspector that the derailment of the 320 Down Goods train at mile No. 394/10-11 between Durgauti and Karmnasa in the early hours of the morning of the 13th August 1950, was due to the removal by person or persons unknown of fishplates from a rail joint on the north side rails of the Down track at girder bridge No. 680, the removal of inner rail screws from several consecutive bridge sleepers on the landing rail next to the opened out joint and the displacement of the free end of this rail by about three inches southwards towards the gauge face. Two of the twelve derailed wagons of the Goods train fouled the up track and the 7 Up Toofan Express which was about this time approaching from the opposite direction by the Up line at its usual speed, collided with these wagons and derailed.”

I also agree with the Government Inspector that the Drivers of the two trains took all possible steps within the time at their disposal to avert the accident to the 7 Up Toofan Express but could not do so.”

The Government of India (in the Ministry of Railways) accept the finding of the Judge.

4. In his report the Honourable Mr. Justice Bose made certain adverse remarks on some of the witnesses. These remarks have been brought to the notice of the appropriate authorities.

5. The Report on the Judicial Enquiry is a saleable publication and can be had from the Manager of Publications, Civil Lines, Delhi.
